

At every stage of Life, trust only time tested

TASCALTM-K₂7

Tablets

Calcitriol 0.25 mcg., Calcium carbonate 500 mg., Soya Isoflavones 50 mg.,
Vitamin K2-7 100 mcg., Magnesium 50 mg., Zinc Sulphate 10 mg.

- **Calcitriol** active form of Vit D3 and Calcium carbonate, but also contain Iso flavones 50mg & Vitamin k2-7 for the treatment of Osteoporosis.
- **Calcium carbonate** is time tested and is more bioavailable form of Calcium
- **Soya Isoflavones** 50mg is phyto-Oestrogenic in nature which is similar to hormones estrogen
- **Estrogen** plays an important role in the growth & maturation of Bones as well as in the regulation of bone turnover in adult bone*
- Deficiency of **estrogen** leads to increased Osteoclast formation and enhanced bone resorption*
- Supplemented with **magnesium** and **zinc** in therapeutic dosages.
- **Vitamin K2** is needed to help calcium and other minerals bind into the bone matrix to strengthen bones
